My goal since being elected to the Committee of Management has been the return of our Marae Assets to the Korowai of the Aohanga Incorporation.

We as a CoM have achieved this with the assistance of our Deloitte Accountants. What a difficult journey but extremely satisfying outcome it has been.

I have also taken up the wero of MACA Representative on behalf of the Pāpāuma

Marae Trustees and the Descendants of the original Owners of Mataikona 1,2 & 3.

At the 2020 AGM, hearing Shareholders as a united voice supporting a proposal for funds to be set aside for the revitalisation of our Tipuna Whare Pāpāuma, was refreshing to hear.

This mahi is much of our focus this year.

Working with Scott & the Team to ensure our farm remains successful, our newly acquired Commercial property and the collective vision for our Marae and our Whenua, we have much to do.
