

Aohanga Incorporation CoM Profile – Paul Te Huki

Paul Te Huki
Vice-Chairperson

I'm not afraid to ask questions and speak up when needed and I am proud of what we have achieved so far.

At the recent AGM 2021, our Shareholders requested the Committee of Management review our Processes and ensure the Policies we have in place are up to date and implemented.

Being a responsible Employer is extremely important to me. We have an obligation to ensure the Health & Safety of our staff, always.

With new technology systems available, my focus is to research and acquire necessary and affordable safety systems for our staff, to ensure we are compliant with the Safe Workplace conditions required of us.

With our Farm, the recent purchase of Commercial Property in Dannevirke and the long-awaited renovation work on our Tipuna Marae Pāpāuma yet to begin, the mahi ahead will be a very busy time for us all.

Our Shareholders have waited patiently as we look for new ways to improve our core base.

Drone mapping the farm and the Whenua is an area I am interested in researching more.

As we move forward, my goal is to continue working for the benefit of our Shareholders and the Incorporation, to the best of my ability.
