

Aohanga Incorporation CoM Profile – Robin Potangaroa

Robin Potangaroa

As a member of the Committee of Management of the Aohanga Incorporation I and my fellow Committee Members will continue to work hard for our Shareholders.

In other Land Trusts which I represent, the journey is the same. How do we make these gifts handed down to us more viable and how do we attract Whanau back, to enjoy those benefits, left to us by our Tipuna?

We encourage Whanau to get involved and let us know what **your** vision is for Our Whenua, Our Marae, Our Incorporation.

Farming as our core business and being able to identify more potential lucrative opportunities should be our aspiration for our future generations.

I look forward to working with our hard-working staff on our farm, Owāhanga Station, my fellow Committee members and for you, the Proprietors of Owāhanga Station.

*Kei ōu ringaringa te ao
The world is yours.*
